

October 19, 2021

City of Gustavus
P.O. Box 1
Gustavus, AK 99826
Phone: (907) 697-2451

Notice

The city is responsible for maintaining roads, including grading. Individuals, please, do not drag roads.

We understand that residents who occasionally drag or otherwise smooth roads are being public-spirited and trying to help, but the city would prefer to take care of the work with our licensed and insured contractor. If folks feel their road needs grading, we hope they will call City Hall and put in a request. We will do our best to take care of it as soon as possible, but sometimes wet conditions may require a delay.

A civil work permit is required for ground disturbance to be done by other than the City's contracted road maintenance firm. Such work would include grading or dragging the gravel roads. A civil work permit is not required for snow plowing by local residents when the city has not yet plowed after a storm.
